REASONS FOR ALLOWANCE

1. Claims 1-10 are allowed. The following is a statement of the Examiner's reasons for allowance. Regarding claim 1, the claim is allowed in light of the Applicant's amendment and arguments on pages 4-5 of the Remarks filed on 09/22/10. The claimed invention is therefore considered to be in condition for allowance as being novel and non-obvious over prior art.
2. The prior art taken either singly or in combination fails to anticipate or fairly suggest the limitations of the independent claims, in such a manner that a rejection under 35 USC 102 or 103 would be improper. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Other Information/Remarks

Any inquiry concerning this communication or earlier communications from the examiner should be directed to JACK DINH whose telephone number is (571)272-2327. The examiner can normally be reached on M-F (9:30 AM - 6:00 PM).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ricky L. Mack can be reached on 571-272-2333. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
